

# New Horizons TOWER

1140 Bloor Street West, Toronto, ON M6H 4E6

July 24, 2020

Hello NHT Residents, Family & Friends:

As we find ourselves on the precipice of Stage 3 opening in Toronto, this week seemed a good opportunity to reiterate safety protocols for the benefit of all, but first, a very big.....

**Thank you!**

So many of you were generous in your donations toward an Ice Cream truck that we decided to make a party of it! We celebrated with both staff and residents coming to the parking lot to enjoy some fun music and a tasty treat before moving on and allowing others the same enjoyment!

*Operated by Dovercourt Baptist Foundation since 1974*

*Registered Charity # 10703 3888 RR0001*

## **Masks**

Now that covid tests are no longer necessary in order to visit, we are understandably, having an increased number of visitors to the building. We would like to remind visitors that cloth masks are NOT acceptable inside the building. You must provide your own surgical mask for indoor use at NHT. They seem readily available these days at many stores.

Fabric masks for residents are permissible for both indoor and outdoor use.

Please note that NHT is not providing masks for visitors or residents, you must have your own. If you forget, they are available for purchase at the front desk for \$2.00 each.

## **Visits**

Indoor visits are still expected to be held in the café and need to be scheduled through the front desk. In-suite visits are only allowed in extenuating circumstances and through special request.

## **Dining Room**

Now that the dining room has been open for several days, everyone has settled into a routine and both residents and staff are enjoying the dining room service once again.

## **Esthetician**

It's with sadness that we say goodbye to Sally, our esthetician, who will not be returning to NHT. She will be missed as many residents enjoyed both her services and her warm, friendly personality. We wish her all the best and will seek to hire another esthetician to take her place.

Enjoy the coming weeks and stay safe everyone!
